To facilitate hands-on skills development and enable you to complete some of the labs in the course, you will receive a unique Feature Code for IBM Cloud.

This feature code will enable you to either create an IBM Cloud account without a credit card or activate a trial.

Please check the box and click on the Open tool button below to obtain a unique Feature Code and follow the instructions that follow in a subsequent lab in the course.

NOTE: If you have already applied your IBM Cloud feature code in another course/lab to create an account, the code cannot be used again, as the code can only be used once.
